## **30 YEAR ANNIVERSARY CELEBRATION**

### ***CT PATRIOTS MUSTER***

**July 11-12, 2008**

**BARTLEM PARK, CHESHIRE, CT**

We are looking for as many old members as possible to help us celebrate 30 years of great music, great memories, great friends and in some cases, great family.

But we need your help! As time has passed, we have lost contact with some of our alumni and would like to contact as many people as possible and invite them to this memorable event. If you know of anyone that has been affiliated with the CT Patriots over the years, please feel free to extend this invitation to them. We have enclosed a copy of the muster invitation for you personally and for others you may know of.

The corps plans to host a gathering for all alumni on Saturday. This gathering will include a chance for you to come and play with us again on the field. We are hoping that we can get a decent sized group to march on stand and play a tune or two during the muster performance (our thoughts go to Edinburgh Castle, as the only piece we've played for all thirty years).

Bartlem Park is directly across from Cheshire High School on Route 10 – more specific directions available on request.
